

BIO 1

IVEEN is a multi-instrumentalist, singer, music producer, and songwriter from Atlanta, Ga, (USA). Her sound mixes current pop ideals with world influences, as she has spent a large portion of her life touring around the world with music as her passport. Because of this she can also sing in 4 different languages (Irish Gaelic, Spanish, Arabic, English).

With Harp as her main instrument, IVEEN also adds a variety of other instruments to her live shows using a looper pedal, going from one instrument to the next (Guitar, Keys, Flutes, Drum Pads, etc.) This talented young artist never ceases to amaze audiences and listeners of every kind, from her well crafted live shows, to the inspiring atmosphere, lyrics, and melodies she creates in her recordings.

BIO 2

Born and raised in the greater Atlanta Georgia (USA) area, IVEEN is an amazingly talented multi-instrumentalist and producer, with the celtic harp as her main instrument. Her music and lyrics elicit deep ethereal emotion, while her live performance capabilities are a fantantasic example of a 1 woman band. She loops a plethora of different instruments, creating mesmerising sound-scapes, all while maintaining current Pop and Alternative Pop musical ideals. An indie artist at heart, she has complete control over the rights to her music, and has no official label affiliation, major or otherwise. Her music is currently distributed by Symphonic Distro.
